

Family Ministry Opportunities

Family Ministries provides resources and opportunities to strengthen our families in fellowship, worship, training, and education as we grow in our relationship with Jesus Christ.

Our goal is to promote life-long, Christ-centered, healthy families in our faith community.

***Your Ministry Leader,
Ginger Krappitz***

Looking Ahead:

- ◆ Mark your calendar for our “Second Annual Family Campout” scheduled for August 28 & 29!

Campers will set up camp Saturday morning before enjoying a full day of “unique” family activities. On Saturday night we will have musical entertainment with Rick James, then on Sunday morning we will have a “come just as you are” combined service.

Even if you do not want to camp overnight, everyone is welcome to join in *all* the festivities. There will be activities for campers and non-campers as well!

Classes:

Check back. 😊

More information about more opportunities to serve others and grow in your relationship with Jesus will be coming soon!
